ABOUT OUR FEES

At Four Seasons Federal Credit Union, we offer some of the most outstanding products and services available to you at very competitive rates. It shouldn't surprise you that we offer very competitive fees here at our credit union as well.

We have to charge our members fees out of necessity. Typically we have found that by being competitive, we offer some of the lowest fees around in comparison to other financial institutions. One of the benefits of your membership in the credit union is that the fees collected, after the credit union's reserves and expenses are met, filter back down to you as a member in the form of dividends, better rates, and new products and services!

HOW ARE OUR FEES DETERMINED?

Our fees are determined by both our management team and our Board of Directors, which provides an equal checks and balances system. If you have any questions, please contact one of our staff members at any location.

DO YOUR FEES CHANGE?

Fees are subject to change at any time. Notification of new or changes to existing fees will be announced prior to the changes taking effect in accordance with applicable law. Please periodically check our website, quarterly newsletter, statement, special mailings, and lobby announcements for the latest information about changes or additional fees.

THE FINE PRINT

Applicable fees within this Fee schedule may draw an account down to a zero balance. Accounts with a zero balance may be closed in accordance with the Truth-in-Savings (TiS) disclosure given to you at the time your account was opened. Contact our Member Service department if you need another copy of the TiS disclosure.

* Per month fees are posted to the account at the close of the last day of the month in which the fees apply. If unavailable funds prevent fees from posting, fees will be collected at any time in the following month(s) when funds become available.
